Annotated for Statistical Reporting Purposes

CHANGE RECORD

This change record sets forth all changes to the HTSA which have become effective since January 29, 2015 (the basic and printed edition), and thus does not include previously proclaimed reductions in staged rates of duty from January 1 and nonsubstantive adjustments to the format of any page. Note that this change record includes minor changes to the nonlegal alphabetical index and statistical annex B.

Chapter 64 was reposted on July 14, 2015, to take into account legal and statistical changes arising from Public Law 114-27 and reposted on July 29, 2015, to modify the statistical reporting numbers previously specified. The compiler's note at the beginning of the schedule (following the additional U.S. rules of interpretation) and general note 4 were also updated as of July 29, 2015, to reflect the renewal of GSP by that same public law.

Chapter 19 was reposted on August 13, 2015 to drop a duplicate provision in subchapter 1. Chapter 70 was reposted on August 26, 2015 to restore a missing provision in subchapter 13; two notes in chapter 99 were also corrected (see below). Minor technical and format corrections have also been made in the schedule.

The general notes and chapter 98 were reposted for September 10, 2015, to reflect the designation of Curaçao for purposes of the Caribbean Basin Trade Partnership Act.
